A I started a company in I moved to California, started a company in Santa Cruz called European Health

Page 10 Page 12 1 Q Did you do that with a partner as well? 1 fee. And we started using that to call all over the 2 2 country to sell our products to primarily natural food A No. 3 Q And how long were you with European Health 3 stores. 4 Imports? 4 Then another milestone is we were a distributor A Well, in the sense, 45 years. It was the 5 at the time, and I realized, in looking for certain types 6 forerunner name of my current company. I changed the of products, they didn't exist or they weren't to our 7 name, you know, but -- to Threshold Enterprises. 7 liking, and we decided to start making our own products 8 Q Okay. And, calculating, the European Health also in addition to distributing other people's products. Imports would be around 1977? Q And around what time did Threshold start 10 A Yeah. It started in January -- I believe January 10 developing its own products? 11 of '78. 11 A I think '82 or '83. 12 O Do you know when you changed the name to 12 O And what were the first products that Threshold 13 Threshold? 13 began developing? A Probably one to two years later. 14 14 A The first products were some basic vitamins and 15 Q And at the beginning days, what was the focus of minerals, you know, your basic vitamin A, B, C, D, E, 15 16 the company? calcium, magnesium, multivitamin. At first the products 17 A Selling natural products, nutritional supplements were basic. And then -- but, you know, we started 17 to natural food stores, primarily. 18 expanding, making some new products. 18 19 Q And were you the CEO and president? 19 And there was a -- a product -- this is -- the 20 A President. 20 company kind of grew rapidly. It was a lot of publicity 21 Q Okay. And you've been -around a product called Spirulina, kind of an algae health 22 A Yeah, I'm the leader, owner, leader, president. 22 supplement, high protein, green product, and it's still 23 Q You've been the leader, owner of the company, to 23 being used today in the natural foods industry. And we 24 the present? 24 were one of the firsts to sell that product, and it was 25 A Yes. very popular and helped the company grow. So that was a Page 11 Page 13 1 milestone. 1 Q Without you going into too much detail, the 2 company has grown from that point -- about how many 2 Q And that was also in the early to mid '80s? A Yeah, yeah. And then, you know, we continued to 3 employees and contractors does the company have at this grow. We also, in the early '80s, we opened up a division 4 point? A You know, I don't have an exact number, but I called Planetary Formulas. It was an herbal product, 5 6 herbal line based primarily on Chinese and Ayurvedic types 6 would say somewhere between 5 and 600. Probably closer to 7 500 would be my guess. 7 of preparations. Q And do you know the time frame in which you Q If you can just give us at, a really high level, 8 9 9 kind of a brief history of the company from the beginning started the Planetary Formulas? 10 A Similar time frame, maybe a year or two later, 10 in 1978 and some of its major milestones to where we are 11 after Source; so I would say early '80s. 11 today? 12 Q You said "after Source"? 12 A So the first product that we sold at the company 13 was called Omega H-3. It was a health and -- you know, 13 A Source Naturals. 14 health supplement imported from Europe. And so the name 14 Q That's a reference to Source Naturals? 15 15 European Health Imports, the first few products we sold A Yes, that's the brand. 16 were imported from Europe. And then we expanded and got 16 Q And was that the brand that you released the 17 into more and more products over time. 17 basics, the vitamins and minerals and the Spirulina? 18 A Yes, from Source Naturals. 18 We found success selling in California, then in 19 Q So then the Source Naturals started in the 19 Washington, and then we realized, you know, we were small 20 but we were doing well and, you know, how to expand out 20 '82-'83 time frame? 21 beyond the West Coast. And we started using 21 A Yes, around there approximately. 22 O And then continuing today, is the Source Naturals 22 telemarketing, and so we were one of the first telemarketing companies in the natural foods industry. 23 and Planetary Formulas the two primary brands that 24 Threshold sells?
